MEMORANDUM

TO:

Early Learning Coalition Executive Directors

FROM:

Rodney MacKinnon, Interim Executive Director

SUBJECT: School Readiness Curriculum- Use of Character Development Program

School readiness program providers are required to "Implement a character development program to develop basic values," (Section 1002.88(1)(g)), Florida Statutes. Curricula approved for use during the 2014 review cycle were evaluated to determine whether or not a character development program was included within the core curriculum.

The Office of Early Learning (OEL) has updated the 2014-2015 Approved School Readiness Curricula List. The list identifies which curricula include the character development component. The updated list will be accessible on the OEL website by Monday, February 23, 2015 at http://www.floridaearlylearning.com/providers/provider resources/school readiness curriculum. aspx.

If a provider selects an approved curricula without a character development program, they must select a coalition-approved character development program. Providers may obtain the list of approved character development programs by contacting their early learning coalition. Providers will affirm this selection on the Statewide School Readiness Provider Contract.

If you have any questions related to the School Readiness Curriculum Approval Process or the selection of a character development program, please email OEL Trainings at oel.trainings@oel.myflorida.com
