

2016-2017 Year Holiday Schedule Open Notification Form for School Readiness

Please help us obtain the information below for SR providers advising the ELC as to whether your site will be open and providing child care services to the children on any of the ten approved ELC reimbursable holidays. This information will allow us to remove the pre-printed H on your attendance roster in the Provider Portal and allow you to record a child's true attendance for that day. Currently, the Provider Portal does not allow a provider to change a hard coded H for a holiday to an X or an E. Please return the completed form to the Reimbursement Department through your individual document library in the Provider Portal and place in the folder Reimb_SR_Rates and Holidays.

Please mark the Open box only if you will be providing child care services on that holiday. If your site will be taking all ten approved ELC holidays, please check the box at the bottom of the form that confirms that information for us. Thank you. We appreciate your cooperation in this matter. If you have any questions, please contact your Reimbursement Specialist using the following link XXXXXXXXXXXX.
