Policy Procedures:

1) *Initial Reporting:* Any potential fraud or misrepresentation that is uncovered or suspected by management, an employee, or an affiliated third party to the Coalition shall be immediately reported to the Fraud/Benefit Recovery Department. The Fraud/Benefit Recovery Department shall be responsible for coordinating further investigations into the alleged fraud.

2) *Preliminary Investigations:* Upon becoming aware of any suspected fraud or misrepresentation, the Executive Director, or his/her appointee, shall, in cooperation with other employees of the Early Learning Coalition, conduct a preliminary investigation in order to determine the likelihood that a fraudulent act has been committed against the Early Learning Coalition. Such preliminary investigations may include, but need not be limited to, conducting in-person interviews, making telephone calls, reviewing files, and making site visits. The Executive Director, or his/her appointee, shall ensure adequate notes are placed in the file

documenting such allegations and any findings from the preliminary investigation, including whether further investigation is warranted. If it is determined, at the sole discretion of the Early Learning Coalition, that no further investigation is warranted, the case shall be closed and a notation placed in the file of such a determination.

3) *Penalties:* Following a determination that there is reasonable evidence of fraud, one or more of the following actions, or other actions at the sole discretion of the Early Learning Coalition, will be taken:

- a. Providers: Termination of the School Readiness Agreement and/or VPK Agreement effective ten (10) business days after the provider has received notification to allow families to enroll with an alternate provider.
- b. Client/Recipient: Termination of eligibility from School Readiness and/or VPK programs fourteen (14) calendar days from date of referral for suspected fraud to OEL and the Department of Financial Services.
- c. Seek reimbursement through the court system

4) *Additional Investigations:* If it is determined, at the sole discretion of the Early Learning Coalition, that further investigation is warranted, the Executive Director, or his/her appointee, shall work in coordination with partner agencies, shall undertake those actions necessary to assist in a full investigation of the alleged fraudulent activity including referral to the Department of Financial Services Public Assistance Fraud Unit.

5) *Determination:* Once referred to DFS and/or the State Attorney's Office, determinations of potential for criminal prosecution are made by these entities. However, Penalties as described in Section 3 are at the sole discretion of the Coalition based on investigation findings and not on the basis of criminal prosecution solely.

Sale/Transfer of a child care facility in any manner to a Related Party shall not be considered a sufficient remedy to avoid the imposition of sanctions. Notwithstanding the foregoing, the Early Learning Coalition maintains broad discretion with respect to the determination of whether or not a facility is eligible for funding or subject to the penalties listed above, and such determination will be on an individual facts and circumstances basis at the Early Learning Coalition's sole discretion. For example, the Early Learning Coalition may determine the transfer of a facility is still an end-around the penalties described above even if such transfer does not specifically fit the definition of a Related Party transaction.

6) Confidentiality: All information provided by management, employees, or affiliated third parties relating to any new or pending fraud claim will be treated as confidential and only shared with OEL, DFS, FDLE, Pinellas County License Board for Child Care Centers and Family Day Care Homes and/or the Coalition's attorney and other parties directly working on the investigation. No employee, who is not involved in the preliminary investigation, may intentionally contact or speak with an individual client recipient or provider that is involved, in any way, with an ongoing fraud investigation.
