

Dear Community Partner:

The Early Learning Coalition of Pinellas County, Inc. is excited to announce that we will be holding our **3rd Annual PreK, 5K: Readiness Run** on **Saturday, April 14, 2018**. Our fun filled event will be held at Boyd Hill Nature Preserve in St. Pete, where children and adults are invited to race/run/walk through the “Fairytale Forest” and step into a world of literary classics in our Storybook Village. There will be reading activities, games, and parent resources—all to support the importance of early learning and literacy. This event will not only enable us to raise our profile within the community, but will also inform more people about the services we provide that promote the importance of early learning in Pinellas County.

Help make our PreK 5K: Readiness Run and Literacy event a success, by joining us as a Community Partner! Tables in our Storybook Village are available for \$50, where partners will have an 8ft space to share resources with families and spread awareness of your organization! Please review the attached form and feel free to contact us with any questions about the partnership, our organization, or our Readiness Run.

For further information about our event, you may visit our event site at: www.elcpinellas.net/readinessrun. You may contact Mary Burns at (727) 400-4442 or mburns@elcpinellas.net for further questions. Your support is crucial to raise the awareness we need to provide resources to our families and ensure children in early learning child care programs are ready to enter kindergarten.

Sincerely,

Lindsay Carson
Chief Executive Officer
