

The Quiet Camel
Says
SHHHHH!

Created by Screening & Intervention at Early Learning Coalition of Pinellas County, Inc.

When children use loud voices it hurts Quiet Camel's ears and can make other children sad.

Quiet Camel likes soft voices like this, "Hello Quiet Camel."

Soft Voices make Quiet Camel
very happy! Let's practice:
"Hello Quiet Camel."

Soft voices make kids happy too!

Quiet Camel lives in your teacher's pocket
where it is quiet.

If you are lucky, Quiet Camel might give you a kiss when he hears you using a soft voice with your friends and teachers.

Bye-Bye Quiet Camel!
See you soon!
