

PLUG INTO PRE-K LEARNING

There is a lot of fun and learning that is happening in the Pre-K classroom! In this Community of Practice (CoP), each session will look at strategies and activities in one target area.

The CoP will meet once a month by Zoom for one hour. You will need to register for each session you would like to attend (see Session information below). Please fill out the Google form to get on the mailing list to receive the Zoom registration links.
