"Essential Necessities 2" Distribution Event

The Early Learning Coalition's Professional Development team is excited to "rewind it back" and offer another chance for providers to receive face masks, sanitizer and this year's Literacy Week book at our "Essential Necessities 2" Distribution Event every night the week of Feb 15-19 and Saturday, February 20, 2021.

As our lives change to accommodate a "new normal" due to COVID-19, we understand child care providers are having unexpected challenges in their care of young children .

We hear you and want to help!

Please join us as we safely distribute clear and cloth face masks and hand sanitizers, along with this year's book for Literacy Week and other essential items. Due to the amount of items and limited resources, distribution will only be at our Clearwater location.

We would like to thank you for your

continued support and hope you are able to pick up our gift to you on one of our distribution days listed, below.

Please call (727) 548-1439 for any questions about the distribution.
