"Essential Necessities" Distribution Event

The Early Learning Coalition, in collaboration with **Juvenile Welfare Board (JWB)** and **Florida Association of Infant Mental Health (FAIMH)**, is excited to invite you to our Provider "Essential Necessities" Distribution Event on January 23, 27 and 28.

As our lives change to accommodate a "new normal" due to COVID-19, we understand child care providers are having unexpected challenges in their care of young children .

We hear you and want to help!

Please join us as we safely distribute clear and cloth face masks and hand sanitizers, along with this year's book for Literacy Week and other essential items.

We would like to thank you for your continued support during this difficult time and ask that you pick up
