IT'S THAT TIME OF YEAR!

It is time for child care providers to update their profile in Florida's Early Learning Provider Portal.

Every year hundreds of thousands of families are served by Florida's 30 early learning coalitions' CCR&R services. When providers participate in the annual provider update, Florida CCR&Rs are able to provide the following:

- Inform communities about child care and the cost of care.
- Offer customized child care listings to families based on their needs.
- Provide a **FREE** marketing tool for **ALL** legally operating child care providers in Florida.

The information collected on child care businesses assists Florida with state and federal reporting and statewide child care analysis.

To complete your **2021 Provider Update** and be included in child care listings to families:

1. Log on to your provider portal account.
2. Choose your 2021 on the top right hand side.
3. Click each tab and review the information.
 - Make any necessary updates.
 - Making sure All fees, private pay rates and schedules are accurate.
4. Submit your profile for coalition review.
5. Periodically check for correspondence.
