DEPARTMENT: Eligibility	SUBJECT: Procedures for “ Enrollment Schedules ”
REVISED: 10-21	AUTHORIZATION APPROVAL: Manager, Family Services

Summary: An initial development/enrollment or renewal of an enrollment schedule will result in a new Payment Certificate. A new enrollment schedule and/or Payment Certificate is created when any one the following occur:

- Initial approval (Placement)
- Continuation of services (Recertification or Review)
- Parent fee change
- Ownership change of a daycare facility or change in daycare provider (Transfer)
- Change in funding category (Rollover)

The new enrollment and/or Payment Certificate can be the initial approval, a continuation of services where the child(ren) remain at the same daycare provider or the changing of a daycare provider (transfer).

MOD Data Entry for Continuation Services:

Continuation of Services *

Is this enrollment a continuation of services with the selected provider?

Yes No

- ✓ Select “Yes”-Recerts, rollovers, fee changes, ownership changes, fixing care level changes
 - For children remaining at the same site and continuing eligibility, the provider is eligible to claim absences on these enrollments.
 - Ex. Recert date is 7/5, child is absent 7/5, provider can be paid the absence on 7/5.
- ✓ Select “No”-Placements, transfers (Children starting services at a new site)
 - These functions are NOT a continuation of services at the same site so the provider cannot claim initial absences. Payments will start on the first day the child is present.
 - Ex. Placement date is 7/5, child is absent 7/5, provider cannot be paid for 7/5.

MOD Data Entry for Initial Enrollment Action:

Initial Enrollment Action *

- Assign to provider for confirmation or rejection.
- Enroll on behalf of provider.

- ✓ Enroll on behalf of provider.

Additional Clarification:

- Most YMCA and R’Club sites provide before and after care for Pinellas County Schools.
 - ✓ See School Age Schedule keying instructions on Page 3.
 - ✓ The sites that provide FT care for Preschoolers are listed on the Early Learning Sites Chart. See FT Schedule keying instructions on Page 2.
- **BEST PRACTICE: Review EVERY enrollment before exiting the screen. Check ALL fields to ensure that the transaction was completed accurately. This will ensure that the childcare provider will be paid properly.**

Head Start/Early Head Start Schedule Guidance

Placements/Transfers:

- If a new enrollment is keyed and the client indicates that the child attends a Head Start/Early Head Start location, please verify with Argie.
- If the child is transferring out of a Head Start location, the child will no longer need the Head Start calendar.
 - ✓ If the client indicates that they are transferring to another Head Start location, check with Argie.

Redeterminations/Rollovers/Fee Changes/Suspended Enrollments:

If a child is continuing services under a Head Start schedule, the child will need to be re-enrolled with the same schedule.

- Before closing out a child's enrollment, please check the schedule section of the enrollment screen.
- If the child has a Head Start calendar, apply the Head Start calendar to the new enrollment in order to pay the provider properly.
